VESTMENTS
ALTAR FRONTALS and HANGINGS

There is such variety of materials and so many possible combinations of colours, that an adequate catalogue of vestments is out of the question. A selection of materials and estimates will be sent, with pleasure, upon receiving details of requirements.

¶ For Altar Frontals and Hangings correct measurements should be given and where necessary, details of existing colour schemes.

¶ Both Roman and Gothic Vestments are made, and expert embroidresses are employed.
